**MEMORANDUM DECISION AND  
ORDER**

**Case No. 2:23CV00930-DAK**

**Judge Dale A. Kimball**

---

Mr. Viens has filed two motions, both of which the court denies. First, he has filed a motion “to verify if deficiencies were corrected.”<sup>1</sup> He has also filed a motion for service of process.<sup>2</sup> The court will screen Mr. Viens’s Amended Complaint<sup>3</sup> in due course, and if the deficiencies identified in the court’s previous order<sup>4</sup> have been adequately cured, the court will order service of process. Mr. Viens need not do anything further to trigger this process. *See id.* § 1915(d) (“The officers of the court shall issue and serve all process, and perform all duties in such cases.”).

Accordingly, IT IS THEREFORE ORDERED that Mr. Viens’s Motion to Verify [ECF No. 26] is DENIED, and his Motion for Service of Process [ECF NO. 27] is also DENIED. If,

after the case is screened, it appears that the case has merit and states a claim upon which relief may be granted, the court will order service of process.
